September 2025

Principal's Message

From Mr. Reiter

Welcome Back, STARS!

We are so excited to have our halls once again filled with children, energy, and laughter. Our school looks amazing thanks to the hard work of our facility team over the holidays. Please join us in appreciating their efforts.

We are also excited to see our playground project taking shape with the new irrigation system and fresh grass seed. While this will bring a few temporary adjustments to play areas, we know the final product will be well worth the wait!

This year, our theme is *"Shine with Joy and Share the Ripple."* We look forward to seeing how this theme will grow throughout the year, making our school an even greater place to learn, to work, and to belong.

Here's to a wonderful year ahead!

Office Notes

From Mrs. Bazin

We appreciate parents and guardians notifying the school when a student will be late, absent or needing to be picked up early. This can be done either by calling the school at **306-778-9240** (leave a voice message if you are calling outside of school hours) or by emailing centennial_school@chinooksd.ca

Our teachers do their best to pass along messages sent directly to them regarding student attendance, however, these things do occasionally get missed if there is a substitute or if messages are sent during instructional time.

Information regarding attendance cannot be over communicated; we encourage notification of both the classroom teacher and the office.

Middle Years Sports

Serve up your skills - volleyball tryouts are here for grades 6-8!

École Centennial School SCC Update

Our first meeting of the school year will be on Tuesday, September 16 at 7:00 PM in the school library

All parents, students, and community members are welcome to attend! The SCC helps to foster a sense of community within our school by supporting events for our students, their families and our staff. We meet once per month from September to May.

If interested in joining our team of volunteers, or learning more about what is involved, please come to our meeting!

In Motion Commotion

From The City of Swift Current

Back to school is such an exciting time of year, so why not start off on the right foot? The “In Motion” goal for all children is to be physically active between 60-90 minutes each day. There are many great opportunities to be active in our community, including the outdoor parks, the golf courses, the skate park, the Aquatic Centre, or along the Chinook Parkway.

Also, the annual City Wide Connection is being held on Wednesday, September 4 from 6:30 – 8:00 pm at the Stockade. Come and check out the many great local sport, recreation and culture activities that are available in our community. City Wide Connection has something for all ages!

For more information, please contact Community Services Division at 306-778-2787 or visit www.swiftcurrent.ca
